

3/10/07 Day 54– At Sea – Sat. - 10 March 2007: This was a day at sea under hazy but sunny warm conditions. We mainly worked on the blog and kicked back. The highlight of the day was a meeting for www.cruisecritic.com message board users that was organized by Dorothy (Bluewhale). We met in the Crow's Nest Lounge for about an hour and discussed what we had been doing during the cruise. Rosalie and Don (www.cruisecritic.com message board handle – Wander) came aboard in Hong Kong and they were introduced.

The evening entertainment in the Queen's Lounge included the quick change, dancing, and magic act of Soul Mystique from Brisbane Australia. The Soul Mystique act is one of the best we have seen for entertainment on the Amsterdam.

We dock tomorrow in Singapore.
